CLASS PRE-REQUISITE:

Students must have completed Center for Self Governance Level 2 instruction and certification requirements. You may bring your certification documents to the class.

This class is limited to 30 students.

The Virginia State Constitution class exposes the student to the distribution and organization of powers and duties of government. The student will learn how to discover the relationships within and between the departments of state government, the delegated authorities, and the legal subdivisions within the state.

Copies of the Virginia Constitution will be available at the class or you may download your own copy.
