The Level 2 course introduces federal, state, regional, county and/or city levels of government. It is designed to broaden the student's understanding of the inter-relationship between government jurisdictions, partisan politics and the self-governing. This course encapsulates the student's basis of authority from which they will operate the mechanism of self-governance. Level 1 homework may be turned in the day of the Level 2 event. Your workbook is included with your payment.

Prior Level 2 Students who are ready for Level 3. Take this Level 2. It is the old Level 3. Your next class will be Level 4
