

SEPTEMBER 28 VIRGINIA TEA PARTY FALL SUMMIT

10th Anniversary VICTORY Summit Meeting

Come help us celebrate the 10th Anniversary of the Virginia Tea Party! We will be honoring all our past Chairmen that helped us fight and survive the bigwig politicians and the DC Swamp.

We will gather at the Double Tree Hilton to hear from some of Virginia's leading conservative voices, to celebrate our victories, and to gear up for the battles ahead.

So, please join us on September 28th with fellow Tea Party activists. We hope you'll take a moment and preregister today using the below link.
